

# How Does Cultural Understanding Impact How We Serve Others

## PARISH LIAISON NETWORK QUARTERLY MEETING

Catholic Charities serves many of the most vulnerable residents in our Diocese, bringing transformative services to those poor in body, mind and spirit. Learning about the cultural differences of those we serve can help bring people closer together and help us to understand why people do things the way they do. This Quarterly Parish Liaison Network meeting will offer a unique opportunity to learn how understanding the cultural backgrounds of newcomers, immigrants, and those returning from prison can help us to serve them better.
