People facing serious illness and their caregivers are encouraged to join in a unique virtual retreat offering the chance for prayer, reflection and renewal. Rev. Bob Cilinski, Vicar of Charitable Works, and Pastor, Nativity, Burke, will open the event. Catholic Charities Clinical Director Dr. Michael Horne will speak about the importance of emotional well-being for the seriously ill and their caregivers. Diane Fields will share her personal health journey and reveal the source of her strength. Participants are invited to pray the rosary together and the event will conclude with Bishop Burbidge celebrating Mass. Be restored as you celebrate life and rejoice in God's great love for you.
