

Volunteer at Mother of Mercy Clinic

Professional, Non-Medical, On-Site and Virtual

Please help Catholic Charities serve the poor by volunteering--on site or remotely from home--with the Mother of Mercy Free Medical Clinics. Located in Manassas and Woodbridge, the clinics provide free, quality healthcare to low income individuals who are uninsured or under-insured. Demand for clinic services has skyrocketed, and we are in desperate need of medical and non-medical volunteers. Most of the volunteering can be done virtually, from the safety and convenience of home. On site opportunities exist as well. Volunteers must be willing to make a regular, ongoing commitment. Most positions are 3-4 hour shifts, affording great flexibility. To sign up, please visit: <https://volunteer.ccca.net>
