What We Do

Medical Services

Our providers are licensed physicians, nurse practitioners, physician assistants, and nurses who can provide comprehensive primary care, cardiology, orthopedics, physical therapy, chiropractics and dietetics.

The clinic also provides prenatal care to ensure the health of the mother and the baby.

Health Classes

Classes are offered to increase the health literacy of our clients. Topics include: diabetes, blood pressure, nutrition, weight loss, exercise, pregnancy, and natural family planning.

Information & Referrals

The clinic provides individuals with information on other services and coordinates referrals pertaining to their needs. This includes services provided by Catholic Charities of the Diocese of Arlington such as counseling, food assistance, emergency financial aid, adoption, workforce development and newcomer services.
