

English for Childcare

Begin your path towards a career in Early Childhood Education

- **Childcare I:** In this 48-hour course, students learn how to communicate with parents, prevent accidents, report incidents, and treat common illnesses and injuries. Students receive American Red Cross First Aid and Pediatric CPR/AED. Students create a career plan during career counseling. *Must have a high intermediate level of English.*
- **Childcare II:** In this 48-hour course, students learn how to support the developmental needs of infants, toddlers, preschoolers, and school-age children. Students take approved online modules through Penn State Extension's Better Kid Care coursework to earn training clock hours. *Must have completed Childcare I and have a high intermediate level of English.*

[Registration](#) Begins March 2023
